PROJECTS

1. WOMEN EMPOWERMENT

We started a project titled Capacitation of women for sustainable development in the year 2003 and completed the project in 2013. Though we completed the project, we still extend handholding support to the Women SHGs to ensure the sustainability.

Activities and Achievements on our women empowerment programme

During 2020-21

- Capacitated 300 women SHGs through facilitating our staff members to attend their meetings
- Facilitated 80% of the members to learn about Covid-19 and to be prepared for prevention.
- Planning to conduct a survey to assess the impacts created by our NGO and to facilitate the SHGs to function independently from 2021-22 onwards.

CASE STUDIES ON WOMEN EMPOWERMENT PROGRAMMES:

Micro finance for the poor women in SHGs to promote their livelihood

ASSCOD received Rs.1, 50,000 on 1st March 2021 from India welfare Trust to support the livelihood activities of 3 women in Kancheepuram District. We have disbursed Rs. 80,000 to the following 2 women

Beneficiary 1 - Mrs. Indira w/o. Selvam, Periyakalathumedu, Perunagar:

She wants to run a petty shop in Perunagar where she ran the shop profitably before Corona lock down declared. But, during the lock down and post lock down, she was not able to open the shop and so she lost her investment. She has 2 daughters and both are studying (One in Govt arts college and another one in Govt.Hr.sec.school, Perunagar).

Although she preferred to restart her petty shop, she changed her plan of running petty shop and to rear a milch animal instead.

As her husband became sick and Mrs.Indirani herself a fire victim, she decided to rear the milk animal. So, we gave her Rs.40, 000 to purchase a milch animal. She is now getting 12 liters of milk every day and selling the same for Rs.360/day. This income helps her to meet out her family expenses.

Beneficiary 2 - Mrs.Lakshmi w/o. Elumalai, Sethupattu

Mrs.Lakshmi is an agricultural labourer. Her husband is also a casual labourer. She has 2 daughters and one son. All of them got married and settled in Chennai. Both Mrs.Lakshmi and her husband is living in a small house in Sethupattu. As their income is not permanent and couldn't get any concrete financial support from her son, they are running a tough life. So, it was decided to give her a milch animal based on her self-help group recommendation. She purchased a pregnant cow and it will give birth to a calf in next one or two months and after that she can get continuous income for next one year.
